## 2010 SUMMER SESSION

Classes meet Monday, June 21, 2010 - Friday, July 16, 2010

Summer is the best time to prepare your child for the next school year. At Mill Creek Academy, we have created summer packages that will occupy your child all morning, mid-afternoon, or late afternoon with stimulating academics. Our packages include a mix of English, Math, Science, or SAT preparation. Please check out these summer packages for the elementary, junior high, and high school students.

Each summer package has a name so we can keep them straight! Note that we have a color key on our GRID version for your convenience. This version will allow you to see what class options you have by grade levels. You can enroll online through our website. If you sign up for a package with three classes, we will take 5% off the third class.
